# Grameenphone.com

The screenshot displays the Grameenphone website interface. At the top, there are navigation links for 'Recharge', 'Shop', and 'Plans & Offers'. Below this, a secondary navigation bar includes 'Personal', 'Business', and 'About' tabs, along with 'বাংলা' (Bangla) language selection. The main navigation bar features 'Recharge', 'Shop', 'Plans & Offers', the Grameenphone logo, 'Flexiplan', 'Services', and user account icons. A large banner at the top center features two men in a field with the text 'GO BEYOND WITH 4G' and 'GET A 4G SIM'. A 'Quick Recharge' form is overlaid on the banner, showing a phone number field, a currency selector set to 'Taka', an 'Add another number' button, an 'Email Address (Optional)' field, and a 'Recharge' button. Below the banner, a grid of categories includes 'Internet Packs', 'Smartphones', 'Offers', 'Get a new SIM', 'Flexiplan', and 'Star Program'. A 'Shop Online' section at the bottom shows product cards with '3 hot deals' labels. On the right side, a product listing for a Samsung phone is partially visible, showing 'Samsu', 'TK. 25499', 'GP Co-brand', 'Choose a Color Space Blue', 'More Options', and 'Quantity'. A 'Deals with' section at the bottom right highlights '6GB Data FREE with Samsung Galaxy'.

# bKash

The image shows two views of the bKash interface. The top view is a desktop website with a hero section featuring a woman's face and the text "Fast Send and receive money or make payments the fastest way there is!". Below this are four service tiles: "New", "Tuff", "Locate", and "Video". The bottom view is a mobile app interface with a "Send registration request" form. The form has tabs for "Customer", "Agent", and "Merchant". It includes fields for "Full Name", "Phone Number", "District", "Thana", and "Contact Number". A "Submit" button is at the bottom of the form. A sidebar on the right of the mobile app shows various services like "Free Entry to Trade Fair", "Send", "Calculate", "Locate", "View", "Payment Plans", "Graphic Stories", and "Live Chat".

The image shows a desktop website page titled "How to register". It features a man holding a smartphone. The text explains the registration process: "Registration is an easy one time process. Once you are registered, you can use all bKash services. At the moment, registration is open to Robi and Grameenphone subscribers. Soon, subscribers from other operators will also be able to use bKash. bKash provides the easiest way for you to register as a customer: Simply click here for an Agent to come to your doorstep for taking your registration. Or you may do one of the following: 01. Go to any of your nearby bKash agent along with: a. Your mobile phone with active Robi or Grameenphone number b. A copy of your Photo ID (National ID/Passport/Driving License/Other valid Photo ID) c. 2 copies of Passport size photographs. 02. After registration, you need to activate your wallet. Please see below." Below the text is a "Wallet Activation Process" diagram showing a sequence of steps: 1. "New Customer: Register with your mobile number" (SMS received), 2. "SMS" (SMS received), 3. "SMS" (SMS received), 4. "SMS" (SMS received), 5. "SMS" (SMS received), 6. "SMS" (SMS received), 7. "SMS" (SMS received), 8. "SMS" (SMS received), 9. "SMS" (SMS received), 10. "SMS" (SMS received). The screenshot displays the Taskeater website layout. At the top left is the Taskeater logo. The navigation menu includes 'Our Services', 'Our Company', 'Insights', and a 'Contact Us' button. The main hero section features the headline 'Cost-effective solutions for lead generation and offshore data teams' and a 'See All Services' button, set against a background image of a diverse team working on laptops. To the right, a section titled 'Our Services' explains that they provide cost-effective solutions for lead generation and setting up offshore data teams, offering both standardised services and custom workflows. A decorative graphic of a bar chart and pie chart is positioned to the right of this text. Below this, the 'How we can help' section lists three services: 'We provide lead generation services' (with a target icon), 'We setup offshore data processing teams' (with a server rack icon), and 'We implement technology to scale processes' (with a globe icon). The lower portion of the page shows a 'Trusted by 200+ companies' section with logos for JUSTEAT, U, Microsoft, movinga, MAKERS ACADEMY, startubootcamp, SIXT, and Time In. A secondary hero section on the right repeats the main headline and 'See All Services' button. The bottom right area details 'Lead Generation' with a 'Learn More' link, and lists four specific services: 'Lead sourcing' (building a database of leads), 'Lead enrichment' (building on leads and enriching user information), 'CRM cleansing' (verifying and updating out-of-date information), and 'Email copywriting' (sending personalised outbound emails at scale).

### Priority Prospecting

The Priority Prospecting process replaces generic statements and solicitations with systematic sequencing of discovery questions designed to increase positive responses.

B2B buyers are seeking prospectors who understand workflows, KPI's, and constraints. A modicum of domain knowledge, workflow analysis, and business process sets you apart.

**Meet Chris**  
Founder, Outbound Edge

Chris Ortolano leads the Priority Prospecting practice at Outbound Edge. Prior to his current role, Chris designed and delivered enablement systems for Cision, learning systems at DiscoverOrg, and call coaching at Execution.
